Dan we are trying to do a couple 1900.55s for CES.. The new rate disk we have from EPA does not give us the option of picking CBI as the contractor only Shaw.. Please get with Latrice and see what we need to do or if ok to leave as Shaw. I do not want to have to redo all these if it is an issue.. We are spending enough of our own money on issues that aren't all ours for no reimbursement as it is..
